

# LIFE on LAND INDICATOR

## REGISTRATION OF INTEREST: Individual

### Participation

The Life Map provides information sequentially - globally, nationally, locally and for each community. The Life Map allows information about the human population to be presented in a standard format. It provides the framework for the Sustainable Life Indicators and other related data layers so that they can be calibrated and synchronised for the first time.

### Details

**Name** \_\_\_\_\_

**Address** \_\_\_\_\_

**Post Code** \_\_\_\_\_ **Contact Number** \_\_\_\_\_
